MEP SERVICES

Mechanical, Electrical & Plumbing Excellence

Electrical

Power distribution, lighting systems,
emergency backup

Mechanical

Equipment installation, testing,
commissioning

Plumbing

Water supply, drainage, sanitary
systems

SECURE SWIFT

End-to-End MEP Solutions

Design & Planning

Comprehensive system design aligned with UAE standards and regulations

Installation

Expert installation by certified technicians using quality materials

Testing & Commissioning

Rigorous testing protocols ensuring optimal system performance

Maintenance

Preventive maintenance and AMC support for long-term reliability

SECURE SWIFT

HVAC Installation & Maintenance

Design, installation, and maintenance services ensuring comfort and energy efficiency in UAE climatic conditions

Split Systems

Residential and small commercial cooling solutions

Ducted Systems

Central air conditioning for large spaces

VRF Systems

Variable refrigerant flow for maximum efficiency

Comprehensive HVAC Services

Installation

Expert installation of all HVAC system types with proper sizing and configuration

Preventive Maintenance

Regular servicing to ensure peak performance and extend equipment lifespan

AMC Contracts

Annual maintenance contracts with priority support and cost savings

SECURE SWIFT

Plumbing Works & Maintenance

Water Supply Systems

Complete installation and maintenance of water distribution networks

Drainage Solutions

Efficient drainage systems and wastewater management

Leak Detection

Advanced leak detection and repair services

Pump Installation

Water pumps and pressure systems

Sanitary Ware

Installation of fixtures and fittings

LIFT SERVICES

Lift Services & Maintenance

Ensuring safe, efficient, and reliable vertical transportation solutions for all building types across the UAE.

Installation & Modernization

Expert installation of new elevator systems and modernization of existing ones to enhance performance and safety.

Preventive Maintenance

Scheduled maintenance programs designed to prevent breakdowns and extend the lifespan of your lift systems.

AMC Services

Comprehensive Annual Maintenance Contracts offering priority support, routine checks, and cost-effective solutions.

Emergency Repairs

24/7 rapid response for critical malfunctions and breakdowns, minimizing downtime and ensuring user safety.

Safety & Compliance

Rigorous inspections and adherence to local and international safety standards, ensuring full regulatory compliance.

Genuine Spare Parts

Supply and installation of original manufacturer-approved spare parts for all major lift brands.

Lift AMC Benefits

Our Annual Maintenance Contracts (AMC) for lifts offer a multitude of advantages, ensuring your vertical transportation systems operate safely, efficiently, and reliably.

Cost Savings

Avoid expensive emergency repairs and unforeseen breakdowns with scheduled, preventive maintenance.

Extended Lifespan

Regular servicing by experts significantly prolongs the operational life of your lift systems.

Compliance Assurance

Guaranteed adherence to all local and international safety standards and regulations.

Priority Service

Receive rapid response and expedited support for any issues, minimizing inconvenience for users.

Reduced Downtime

Proactive maintenance and prompt repairs ensure maximum uptime and continuous service availability.

Proactive Inspections

Thorough and routine inspections identify potential issues before they escalate, maintaining safety and performance.

IT Infrastructure & Network Solutions

1

Structured Cabling

Cat6/Cat6a cabling infrastructure for reliable network connectivity

2

Network Planning

Strategic network design and deployment for optimal performance

3

Server Room Setup

Complete server room infrastructure with cooling and power management

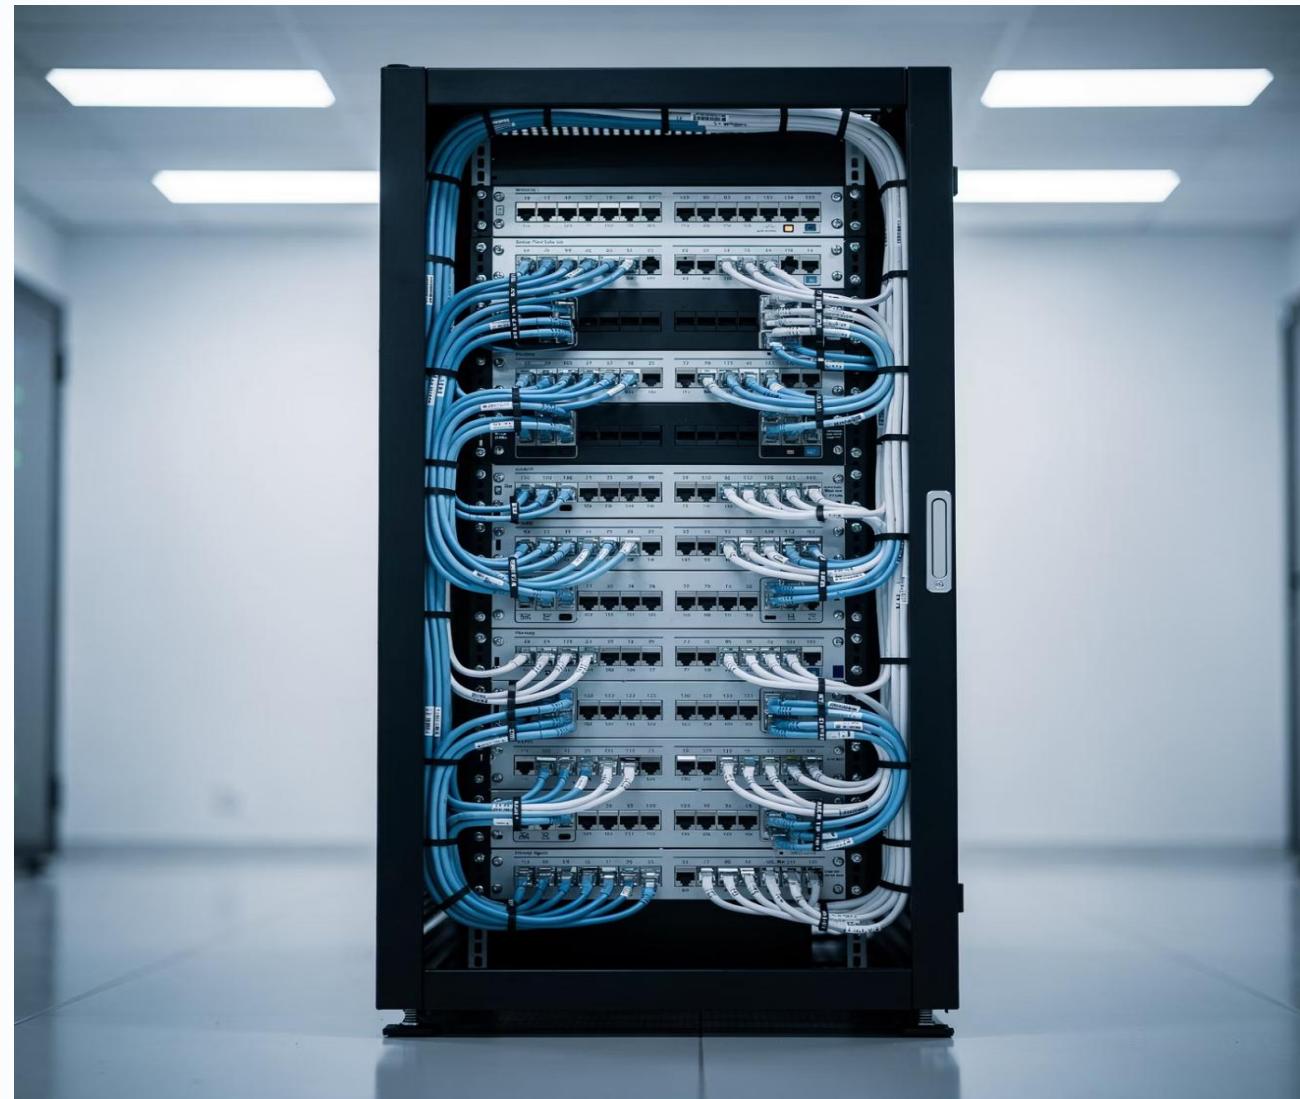

4

IT Support

Ongoing technical support and infrastructure maintenance

Network Infrastructure Excellence

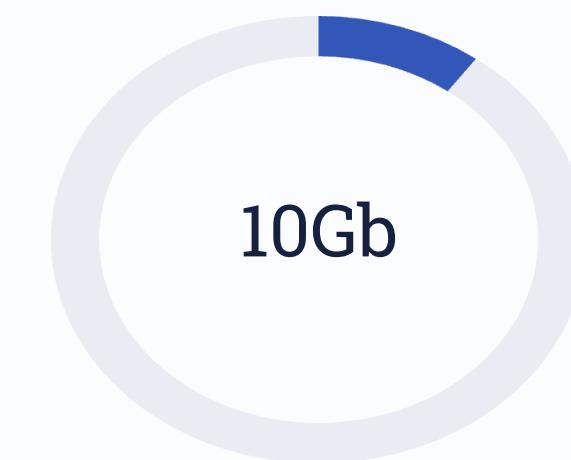

Modern Business Connectivity

Supporting modern business operations with robust, scalable IT infrastructure solutions.

Network uptime guarantee

High-speed connectivity

SECURE SWIFT

Security Systems & CCTV

Integrated security solutions to protect people, assets, and infrastructure across the UAE
